Dear Mr Price

I am concerned that this is an event that would not be supported by the majority of Canyon citizens, businesses and parents.

Would you be willing to meet with me and help me understand why this yearly event is in the best interest of children, parents, the community and voters? David [REDACTED]

I am a "new" resident of Canyon with three sons in Canyon ISD, and a local business man.

There are those in the Texas state legislature that see such events as dangerous to children and the community as well.

"This bill will stop this - SB 12 by Hughes - Relating to restricting certain sexually oriented performances on public property, on the premises of a commercial enterprise, or in the presence of a child; authorizing a civil penalty; creating a criminal offense. - It needs a hearing. Call Senator Sparks and ask him to sign on and give his support. kevin.sparks@senate.texas.gov 1-512-463-0131. <https://capitol.texas.gov/BillLookup/History.aspx...>"
